EXAMPLES

CTFL_Sy#2018	ISTQB_Certified Tester Foundation Level (Syllabus 2018) worldwide accept D.A.CH.EL.
CTFL_001	ISTQB_Certified Tester Foundation Level (Syllabus 2011) worldwide accept D.A.CH.EL.IND.

It's important to choose the correct regional exam code. Most people must choose „worldwide“. People from Germany (D), Austria (A), Switzerland (CH), Liechtenstein (FL), United Kingdom (UK) and India (IND) have to look for their regional code. This mostly applies to ISTQB Foundation Level Exams.
